

SUPERFUND TECHNICAL & ENFORCEMENT BRANCH
Week Ending May 18, 2012
SITE ASSESSMENT TEAM
WEEKLY ACTIVITY REPORT

SITE ASSESSMENT

Miscellaneous – Continue to review site assessment reports and discuss recommendations with States. Answered calls from citizens and contractors on Superfund sites. **Turner x6666, Kendrick x2240, Cook x7436, Ofosu x3178**

Concerned Citizen, NM – Followed-up with concerned citizen from Berino, New Mexico, regarding low income housing being built on an old unregulated landfill site on May 15. Spoke with Joey Vega with the NMED Solid Waste in Las Cruces, New Mexico, who met with the citizen and collected a sample of tile type material to test for asbestos. **Turner x6666**

CLP – Requested projections for CLP usage from NMED and ITEC through the end of FY2012. **Turner x6666**

Regional Indian Work Group (RIWG) – Attended monthly RIWG meeting on May 15. Topic of discussion included tracking of grants funded and amount not funded, GAP update, accomplishment reporting, and establishing a better way to have/update a Tribal activities calendar. The next RTOC date is tentatively scheduled for June 26 and will be held at or near Santa Clara Pueblo. **Turner x6666**

Section Meeting – Attended section meeting on May 17. **Turner x6666**
